Capital University Law School
Graduate Law Programs

Course Offerings and Prerequisites for MT Candidates
Fall 2013

Students may only register for courses for which they have satisfied prerequisites. Students who erroneously register for a course for which they lack a prerequisite will be administratively withdrawn from the course on discovery of the mistake, at whatever time the discovery occurs. Waivers of prerequisites can be accomplished only with permission of the Associate Dean for the Graduate Law Programs via a "Dean's Action" form.
