<sup>1</sup> **Online** means that your class in general will meet synchronously over Zoom as it currently appears on the schedule. Your professors may also assign asynchronous work where your professors provide materials for reading, lectures for viewing, and assignments for completing. Students then have the ability to access and complete the assignments within a time-period set by the professor.

<sup>2</sup> **Hybrid** means that your class will have both asynchronous and remote learning elements, with the frequency of in-person learning based on pedagogical needs. While the frequency of in-person class meetings may vary by course, those meetings will take place as it currently appears on the schedule. Your professors will be able to answer specific questions about their courses soon. Please review all communications from your professors carefully.
