660	A	CIV PRO: RULES	Gilles	REQUIRED TEXTS: * Inside Civil Procedure: What Matters & Why, by Howard M. Erichson (2nd Edition, 2012 Aspen Publishers – do not get the First edition) ISBN: 9781454810971 (List Price: \$41.95)  www.aspenpublishers.com/Product.asp?catalog_name=Aspen&category_name=&product_id= 1454810971&cookie_test=1).  * Interactive Guide to Civil Procedure, by Gilles, Ho and Upchurch (forthcoming in 2014 Carolina Press). This interactive guide is not yet published, so we will be using a series of worksheets/exercises that I will post on TWEN. (For you it's free, but we will be seeking your feedback throughout the class!).  * This course is entitled "RULES," and so the most important text you will need is a copy of the Federal Rules of Civil Procedure (hereinafter Rules). You have several options:  * First, the Rules are available free on line (e.g., at http://elangdell.cali.org/content/federal-rules-ebooks-legal-information-institute; or http://www.law.cornell.edu/rules/frcp/; or http://store.westlaw.com/promotions/e-mag/Fed_Rules_Procedure/index.html#/1/) . Some of these sites allow you to download or print the Rules. Note, that you MUST have a copy of the Rules (either in hard copy or electronic) at all times in the classroom: the "internet is down" or "I forgot my laptop" are not acceptable excuses.  * Second, if you would like a hard copy of the Rules, we recommend you order the NITA Federal Rules of Civil Procedure (Publisher NITA, available through LexisNexis) ISBN:9781601561640 We selected this version because it is small, cheap (\$20) and easy to flip through. (It is dated December 1, 2010 – but contains the latest version of the Rules). http://www.lexisnexis.com/nita/product.aspx?prodid=prod-US-NITA-FBA1143  * Third, if you already own a copy of the Rules from another class (as long as it contains the Dec 1, 2010 amendments) you are free to use that version.
